Special Requirements:

(While we will try to accommodate all reasonable requests, sometimes it will not be possible. We will do our best to work with you to find a solution best for all parties.)

There will be an Information booth set up at the Scotiabank and they will be able to direct you to your space and provide you with any information you may require.

Set up is at 7:30 am on Saturday and 8:30 am on Sunday.

There will be plenty of signage to direct you to the festival.

This is an outdoor festival. We do have limited covered spaces available. If you have a tent, please bring it. If you need more tables, chairs or display materials (easels, etc.) you are welcome to bring these as well. We will have volunteers on hand to assist you in carrying & setting up your display. If we get a rainy weekend, the Township of North Dundas has kindly made a few of their buildings available for our participants.

While we do have fair bit of space allotted for artists and artisans, we do have limits. Please ensure your participation by registering early.

Whether you are an established artist looking for more sales, exposure & contacts, or just starting out and seeking public & peer feedback on what you have created, you should share this weekend with us. We welcome all art forms and encourage your participation.

Please bring family, friends, fellow artists & kindred spirits along to our festival with you.

See you at the waterfront!
