

Art on the Waterfront June 1-2, 2019

For Immediate Release, March 1, 2019

Chesterville, Ontario

Looking for a great **free** festival to add to your summer schedule in 2019?

Art on the Waterfront would like to invite you to its **free** two-day event on June 1-2, 2019 in Chesterville, Ontario. This is the ninth year for the festival, which features a farmer's market, music, entertainment, food and a variety of children's activities at the Kids Zone.

Amid the scenic atmosphere of Chesterville, you can enjoy a day of art and imagination. Take a stroll along Water Street and take in the outdoor gallery display of an incredible variety of hand-made craft items in all price ranges. More than 50 artists and artisans from around the province will display and sell their works, from jewellery to paintings and everything in between.

"You'll find one-of-a-kind items, glasswork, paintings, books, jewellery, word working, photography, and much more", said event coordinator Cheryl Beasley. "It's a great opportunity to buy something special for yourself, home, garden or a gift for a friend."

This popular festival also features an amazing lineup of live music all weekend long, brought to you by Music Programmer Michael Houston (aka "tic") that starts at noon and goes until 6:45 p.m. on Saturday – and from 12:45 until 5:45 on Sunday – featuring The Big Train Wreck, Nile Groove, Graven, Welcome the Ghost, Red Fox, Sons of Gord, Gentlemen of the Woods, Sean Oliver, and The Reverb Syndicate.

The festival launches with a big breakfast on Saturday from 8 to 10 a.m. at the Gathering House at 2 Water Street; with opening ceremonies starting at 10 a.m.

"The festival keeps getting bigger, and we continue to grow our partnerships each year" said Beasley. Toronto Dominion Bank, Ottawa Special Events, BGM RV Repair, WUBS Transit and the Township of North Dundas are among the more than two dozen sponsors who have signed up for this year's event.

From a diverse line-up of music on the outdoor stage, talented artists and artisans, great food, and the super-fun Kids Zone complete with a bouncy castle, there is something for everyone to enjoy.
